CANDEO RANKED #1 CHARTER SCHOOL IN THE STATE

Candeo Schools was ranked the #1 charter school in Arizona ahead of Basis Schools, Great Hearts, and Legacy Traditional. A shining star in Peoria, AZ, Candeo has earned the highest rankings from the state since its inception 10 years ago.

To celebrate this accomplishment and their enduring success, the Candeo School Governing Board will be serving an outdoor hot pancake breakfast on campus to the well-deserving teachers and staff on the morning of December 8 from 7:15-7:45 a.m. The breakfast will be attended by Peoria Vice Mayor Jon Edwards and Councilmember Bridget Binsbacher.

“We are thrilled with the results, but not surprised. It is one measure of the world-class education we provide at Candeo,” stated Dr. Musser, Candeo Founder and Head of School. She added, “We have the perfect blend of classical education in the 21st century, which includes a rich, knowledge-based curriculum and a mindful, intentional culture.”

The ranking is based on AzMERIT test score results from the 2016-2017 school year. AzMERIT is the statewide achievement test for all Arizona students.

More about Candeo Schools

In a cohesive, purposeful, and joyful learning environment, Candeo Schools delivers rigor, relevance, and challenge through a core classical curriculum, which stresses the knowledge most useful for comprehension, school learning, and communication within the civic life of a society.
