## **CANDEO SCHOOLS ANNOUNCES SECOND VALLEY LOCATION, EXPANDING TO NORTH SCOTTSDALE**

**Peoria, Arizona.** Top-ranked, nationally accredited, and tuition-free Candeo Schools enlarges its academic borders to the North Scottsdale community, opening Candeo North Scottsdale August 2020 for the 2020-2021 school year. Candeo North Scottsdale will educate students from Kindergarten through 8<sup>th</sup> grade, bringing its Classical Education approach and the nationally recognized Core Knowledge curriculum to broaden, enrich, and enliven the student academic experience.

“Our rigorous classical liberal arts program is designed to meet the needs of children who thrive in an environment of academic intensity, challenge, curiosity, and wonder,” says Dr. Stephanie Musser, Candeo Schools Founder and CEO. “We saw an opportunity to bring our model and stability to more communities, beginning with North Scottsdale. At Candeo, we strive for excellence. This is reflected in the curriculum we select, teaching professionals we hire, and our business operations. We have a proven track record academically, operationally, and financially. In short, we are new to North Scottsdale, not to education.”

Thursday, January 23, Candeo Schools North Scottsdale will host an Information Night for interested parents to meet with administrators first-hand; get to know Candeo Schools’ philosophy, curriculum, and culture; ask questions; and complete applications on the first day of Early Open Enrollment.

Candeo Schools North Scottsdale Information Night Details:

Date: Thursday, January 23

Location: Foothills Community Foundation, 34250 N. 60th Street, Building B, Scottsdale, AZ 85266

Time: 6:30-8:00pm

### **More about Candeo Schools**

Known for its rigorous knowledge-based schooling and joyful learning environment, Candeo Schools’ flagship location, Candeo Peoria, has been consistently ranked in Arizona’s top schools since its inception in 2008. In August 2019, NICHE.com unveiled its ranking of public schools in Arizona. Candeo Peoria’s elementary school was ranked 22<sup>nd</sup> out of more than 1,150 schools, and its middle school was ranked 20<sup>th</sup> out of more than 740 schools.

Candeo Schools believes that college preparation begins in elementary school where cognitive growth is richest and academic habits are set. Its mission is to grow wisdom and virtue for a life well lived through rigorous knowledge-based schooling in the classical liberal arts.
